COMMUNITY INPUT MEETING

Share your thoughts about the former Ole's Gas Station located on Main Street

TUESDAY, NOVEMBER 10
6:00 PM
DARBY TOWN COUNCIL MEETING
101 E TANNER AVE

Join the Town of Darby, the Montana Department of Environmental Quality Brownfields team, and the Technical Assistance to Brownfields team from KSU to discuss a vision for reuse of Ole's Gas Station. The Town acquired the property in 2019. Environmental investigation is ongoing, and cleanup of building materials and underground storage tanks will be required prior to site reuse. An online survey will be issued after the meeting to solicit additional input.
